

Selva Lakes Homeowner's Association, Inc.

Rule #12, January 2017

(Pool Key Replacement Cost)

The Selva Lakes Homeowners Association Board of Directors on January, 10 2017 voted to adopt the following new rule of setting the cost of a pool replacement key. One new pool key was distributed to all homeowners in good financial standing with homeowner's association with respect to a new locking system implemented at the community pool.

Due to the high cost of having one of the non-duplicable keys replaced it was determined that any new key requested by a homeowner for any reason would carry the charge of \$50.00. At any time for both first distribution and in the event of a replacement request, new keys will only be dispersed to homeowner's in good standing with Selva Lakes Homeowner's Association. Please visit selvalakes.com for contact information on getting a pool key.
