

Selva Lakes

Homeowners Association Special Meeting Minutes Tuesday, July, 2016

IN ATTENDANCE: Peter Mignone, Don Fadel, Gabe Farra and Janet Allen.

Meeting Called to Order: Peter Mignone at 7:15 PM

Issue Lock/Gate for Pool

- Options had been sent out by Pete with prices. Board decided against a new gate at this time as we could re-use the lock for a new gate at a later time if necessary. It was also decided that we needed three new locks (one for the gate, and one for each of the two bathrooms)
- Out of the three proposals, A-1 Lock appeared to be the most cost effective and provided two options. Option 1: MX lock and Option: Mul-t-lok. Option 1 was less expensive and the one recommended by A-1 Lock. Neither lock can be copied by at a lock shop by a resident. The Board voted on Option 1.

Meeting was adjourned at 8:00PM
