

Selva Lakes Homeowner's Association, Inc.

Rule #22, September 2020

(Coating for Driveway, Walkway, and Patio Floors)

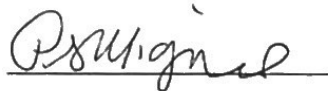

Rule #22 regarding updates and allowances to owners' walkways, driveways, and patio floors:

All walkway, driveway, and patio floor modifications must be approved by the Board of Directors or the ARC prior to installation. The following new coating will be permitted. When submitting your application to the ARC, you will need to submit any necessary permits required by the City of Atlantic Beach before installation/modification can begin. All requests must be completed within sixty (60) days of approval. However, once work commences, the concrete correction and/or coating must be completed within seven (7) days.

Coating application approved for both Reyhani and Pulte units:

Product: Shark Coatings

Color: Mount Everest
